

Elaine Cheung

CFO, Temasek's Asia Sustainable Foods Platform

Elaine is a purpose-driven CFO and Board Director, helping companies fulfil their commitments to environmental and social sustainability through profitable strategies. She worked across multiple industries in Asia and is currently a CFO at Temasek with a mandate to accelerate the adoption of sustainable food in Asia. Elaine serves on the Audit Committee of the UN World Food Programme, 2020 Nobel Peace Laureate and Board Trustee of WWF International.

Elaine strongly believes in harnessing individual actions as a catalyst for global change. Her work in women leadership began a decade ago advocating for gender diversity on boards. She supports women leadership through The Women's Foundation mentoring program, AMCHAM HK Women of Influence committee and AMCHAM China Women's Empowerment Award. She is a member of 30% Club Women to Watch.

NINEby9 is her hope that her three children will enter the gender parity workforce with an appreciation of their Asian culture.
